Good morning,

As the deadline for submissions was yesterday. The Nunavut Water Board would like to follow up and confirm whether or not CIRNAC will be sending in submissions as well as the following information below:

- Confirm the attendance of their organization, group or individual;
- Provide the names of the individuals who will be participating on their behalf in the TM and PHC respectively; and
- Identify whether they wish to make a formal presentation of their submissions during the Technical Meeting.

Please let me know whether or not CIRNAC would like to request an extension to the deadline for submissions.

Regards,
