Re: NWB4EUR – Water Licence Renewal – Eureka High Arctic Weather Station – Environment Canada.

EPB's contribution to your request for specialist advice is based on the mandated responsibilities for the enforcement of Section 36(3) of the *Fisheries Act*, the *Canadian Environmental Protection Act* (CEPA), and the *Migratory Birds Convention Act* (MBCA) *Regulations* and the *Species at Risk Act*.

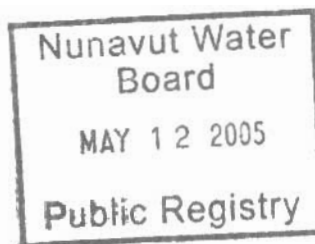

Environment Canada feels that it would be inappropriate to comment on the application as we are the proponent.

Please do not hesitate to contact me at (867) 669-4744 or ron.bujold@ec.gc.ca with any questions or comments.

Yours truly,

Ron Bujold  
Environmental Assessment Technician
