Good morning,

Please see attached for Type "A" Water Licence No: 8AC-EUR----: CIRNAC Final Submission in English, French and Inuktitut for the Written Public Hearing regarding an Application for a Water Licence to replace Type "B" Water Licence No: 8BC-EUR2131.

The next steps preceding the written hearing are:

- On or before Thursday, November 29, 2023 the Applicant must file any further responses to the information filed in advance of the Public Hearing and final written submissions with the Board; and
- On or before Thursday, November 27 - December 1, 2023 all parties intending to present to the Board during the Public Hearing must file any presentation materials (e.g. PowerPoint Presentations, etc.) upon which they intend to rely at the Public Hearing.

The Nunavut Water board is aware that a number of web browsers are no longer supporting File Transfer Protocol (ftp). If you are having difficulty accessing our FTP site you may need to download an FTP application. We have been recommending the FileZilla Client below to access the files, which is a free and open source application. A link can be found below:

Please let me know if you have any questions or concerns.

Regards,

Robert Hunter
Licensing Administrator
