Subject: Notice of intention for decantation of Eureka sewage lagoon
Date: Friday, August 26, 2011 12:51:02 PM

Good afternoon Phyllis,

As per Part D section 8 of the NWB Licence No 3BC-EUR0611, we would like to provide you with advanced notice that we will be sampling and decanting the Eureka sewage lagoon in the early morning hours of September 8th 2011 in an effort to have the samples sent out to the laboratory on a return Summit Air charter that same morning.

Please contact me if you require further information.

Regards
