Good afternoon,

Please find attached, submission of the Remedial Action Plan and Risk Assessment (RAPRA) from Environment and Climate Change Canada for type A Water Licence No: 8AC-EUR2331.

The Nunavut Water Board would like to request the Government of Nunavut, Department of Environment provide comments as ECCC proposes Site Specific Target Levels (SSTLs) for remediated soil to be deposited into the Environment. The current deadline for comments is **August 7, 2024**.

If you require more time for this review please don't hesitate to reach out.

Regards,

Robert Hunter  
Licensing Administrator
