Good afternoon Jean-Phillipe,

Please find attached comments from CIRNAC and DFO regarding the Operations and Maintenance Procedures for Waste and Water for type A Water Licence No: 8AC-EUR2331. The Nunavut Water Board requests a response to comments by the deadline of **June 2, 2025**.

Also, in the Introduction page of the document could you please update the section with the correct Water Licence Term and Condition (Part F. Item 2. of 8AC-EUR2331)?

Regards,

Robert Hunter
Licensing Administrator
