Good morning,

Please find this as a follow-up request. As the Nunavut Water Board has not heard back. We would like to confirm whether ECCC has an update to the QA/QC Plan? more specifically to:

- Section 1. Introduction of the QA/QC Plan the licence requirement mentions Part I) item 9.

Can you please update this with Part I) item 13 and resubmit to the NWB as soon as you can?

Regards,

Robert Hunter
