Dear Ms. Lear, Mr. Dwyer, Ms. McCaie, Mr. Bathory:

**RE: NPC File # 148957 [BAF-3, Brevoort Island Water Use Licence Renewal]**

The following works and activities have been proposed in the above-noted project proposal:

1. Continuation of monitoring and remediation activities associated with NWB 3BC- BAF0409
2. Related NIRB FILE No.: 03DN120;
3. Location: Qikiqtani [eastern Hall Peninsula east of Iqaluit]

A complete description of the project proposal reviewed by the NPC can be accessed online using the link below.

The Nunavut Planning Commission (NPC) has completed its review of the above noted project proposal. NPC has determined that this project proposal is outside the area of an applicable regional land use plan. The activities associated with this proposal were previously reviewed by NPC on Oct 31, 2003 and exempted from additional screening on July 31, 2009. In addition, the works and activities listed above were previously screened by the Nunavut Impact Review Board (NIRB FILE No. 03DN120). The above-noted project proposal is exempt from screening by the NIRB because the NPC is of the understanding that it does not change the general scope of the original project activities, and the exceptions noted in Section 12.4.3 (a) and (b) of the Nunavut Agreement do not apply.
