Hi Phyllis,

The project would appear to be exempt under Schedule 12-1 (5) as we are not aware of any other authorization at this time.

Subject: 090731 3BC-BAF0409 Renewal Application BAF-3 Project

Please see attached letter and Notice regarding the renewal of the above mentioned licence for the BAF-3 Project. Note that this file was previously reviewed under an application from Nasittuq Corporation as a new application. It has now been determined that the license will remain with the Department of National Defence and will be reissued as a renewal.

The Nunavut Water Board notes that an NPC Conformity is not required for this file. Previous screening by NIRB was completed in 2003 (03DN120). NIRB is hereby requested to review and comment on whether further screening is required.

Comment deadline for this file is August 30, 2009.
