Attached is a copy of a letter that was sent to you on May 15, 2007 regarding water license applications for BAF-3, FOX-M, CAM-3, CAM-M, DYE-M and FOX-3. To date we have not had a response from either National Defence nor Nasittuq Corporation. The Nunavut Water Board would appreciate a response as soon as possible in order to facilitate the process of these 6 files.
