Subject: *Addendum*
 ~~Amendment~~ to the Spill Contingency Plan and Site Drawings

As per requirements one (1) and two (2) outlined under PART- F (Conditions Applying to Emergency Response) of the Type ‘B’ water licenses, Nasittuq Corporation has added the DIAND Water Resources Inspector contact information to the Spill Contingency Plan Emergency Contact List and has updated the site drawings to more clearly identify the location of the Spill Kits located at the North Warning System radar stations CAM-3, FOX-3, DYE-M and BAF-3.

The following attachments are for your records:

- i) Nasittuq Emergency Contact List
- ii) CAM-3 Site Drawing H-S123/1-8400-107
- iii) FOX-3 Site Drawing H-D67/2-8400-104
- iv) DYE-M Site Drawing H-C75/2-8400-107
- v) BAF-3 Site Drawing H-B199/2-8400-106
