**RE: Water Licence Inspection August 25, 2009**

The following inspection report is generated on the information collected during a compliance inspection carried out on the Cam-Main Cambridge Bay Long Range Radar site and facilities. The inspection was conducted to determine compliance with the terms and conditions of the Water License (3BC-CAM0409) issued to National Defence Canada (DND) by the Nunavut Water Board (NWB).

The report references the applicable parts of the Water License (3BC-CAM0409) and the findings observed under each of those parts. During the writing of this report a compliance review was undertaken of the documents, plans and manuals filed by the Licensee and located on the Nunavut Water Board's FTP site.

The Inspector thanks Ms. Barb Thomson and Ms. Mitzi Wall, both of Nasittuq Corporation for their assistance, time and advice during the inspection. The Inspector also thanks Mr. Kim Kalen, National Defence Canada for acting as the licensee's representative during the Inspection.

\* It is noted that the current Water License (3BC-CAM0919) was issued on September 10<sup>th</sup>, 2009 following the Inspection. The new License addresses a number of the inconsistencies identified by the Licensee and the Inspector.

**Issues noted in previous Inspections;**

- Secondary Containment for fuel transfer areas is required.
- Secondary Containment required at Airport hanger.

**During the period of the 2009 inspection the following issues were identified by the Inspector;**

- Implementation of a testing procedure for water collected within Fuel Storage secondary containment prior to discharge.
- Battery storage requires secondary containment.

**Non-Compliance:** Issues identified during the August 25<sup>th</sup>, 2009 inspection and/or review of relevant material

**Issues where there is a known or anticipated threat to human health.**

- None noted

**Issues where there is a known or anticipated environmental impairment;**

- None

**Issues where there is a known or suspected violation of a requirement of the Water License;**

- None

**The licensee is working on achieving compliance.**
