

Executive Summary for the Water Licence Renewal Application

Licensee: Department of National Defence – 1 Canadian Air Division
Licence: 3BC-ERK1015 Type “B”
Location: Canadian Forces Station (CFS) Eureka, Ellesmere Island,
Qikiqtani Region, Nunavut.
Submitted: Department of National Defence – 10 August 2015

Renewal application for the Nunavut Water Board (NWB) licence number 3BC-ERK1015 at CFS Alert from the Department of National Defence (DND) is enclosed. The licence expired on June 30, 2015.

Renewal – Water Licence

DND would like to submit the Renewal Application to renew the water licence for 5-10 years term. There are no proposed amendments for the NWB to consider in this renewal application. The Operation and Maintenance Plan was reviewed and updated as the only change was that DND retained a new accredited laboratory for analytical services; therefore, the Quality Assurance and Quality Control Plan of the Operation and Maintenance Plan was revised. The up to date Operation and Maintenance Plan is attached in this application package.

Licensee Name Change Request

In addition, please note that the renewal application contains a licensee change, within DND, from the previous licensee of Colonel K.G. Horgan at 1 Canadian Air Division, Winnipeg, Manitoba, to:

Colonel D.O. Quinn,
Commander Real Property Operations Group,
Assistant Deputy Minister (Infrastructure & Environment),
101 Colonel By Drive,
Ottawa, ON, K1A 0K2.
