

## **Appendix D**

### **List of Waste Disposal Activities**

**Year:** 2018

**Reference:** 8BC-ERK1621, Part B, 1a.

#### **Landfill:**

- Deposition of non-hazardous and bulky waste materials to site.

#### **Sewage Treatment Facility:**

- The Sewage Lagoon was decanted in June (Camp opening) and July (Closing).

#### **Battery Dump:**

- No waste was deposited at this site.
- No waste deposition is allowed at this site.

#### **Barrel Dump:**

- In cooperation with Environment and Climate Change Canada Eureka Weather Station (EC), empty barrels have not been buried at the Barrel Dump since 2012. The empty barrels are securely placed at this site as directed by Environment and Climate Change Canada. Approximately 1000 barrels were cleaned and crushed on site as part of the barrel clean-up efforts.

#### **Landfarm:**

- There were no disposal activities at this site in 2018.

#### **Hazardous Waste Backhaul from CFS Eureka in 2018:**

- For 2018, there were NO hazardous waste backhaul activities reported to 8 Wing Trenton from CFS Eureka.
