**Re: 3BC-ERK1015 – Canadian Forces Station Eureka – National Defence –  
Qikiqtani Region – Abandonment and Restoration Plan**

Due to competing priorities, Aboriginal Affairs and Northern Development Canada (AANDC) did not have the opportunity to conduct a thorough review of the Abandonment a Restoration (A&R) Plan submitted by National Defence for the Canadian Forces Station Eureka, as a requirement of Part I, Item 1 of water licence 3BC-ERK1015. AANDC acknowledges that the A&R Plan for 3BC-ERK1015 was distributed for comments and that it was received by the Water Resources Division. AANDC will keep the above plan on file should it be required in the future.

On behalf of AANDC, I apologize for any inconvenience. Should you have any questions or comments, please do not hesitate to contact me at (867) 975-4738 or by e-mail at [Jean.Allen@inac-ainc.gc.ca](mailto:Jean.Allen@inac-ainc.gc.ca)

Sincerely,
