**SUBJECT: Part J, Item 1 of Licence 3BC-ERK1015**

Dear Mr. Keim and Ms. Joy:

Under the terms and conditions of the above licence “The Licensee shall determine, in consultation with the Inspector, the GPS co-ordinates (in degrees, minutes and seconds of latitude and longitude) of all locations where wastes associated with operations and maintenance are deposited and have been deposited. Locations shall be reported in the Annual Report.”

The Licensee has provided the attached information advising that they are not able to provide this information in the 2010 annual report, but will collect the information in the spring of 2011 and provide it in the next year’s report.

Please advise by return correspondence if this is acceptable to the Enforcement Division of Indian and Northern Affairs.

Sincerely

Original signed by:
