**Re: DND NOTICE OF LICENSEE NAME CHANGE FOR NWB LICENCES:
8AC-ALT---- & 8BC-ERK1621**

Dear Manager of Licensing,

The Department of National Defence (DND) - 8 Wing Trenton Environmental Management Office provide operational support and management of the two Nunavut Water Board Licences on behalf of the Department of National Defence at the Canadian Forces Stations Alert and Eureka, Nunavut, and the Licensee.

The Licensee for licences: "8AC-ALT----" & "8BC-ERK1621" is requested to be:

**Colonel Martin Gros-Jean,
Commander, Real Property Operations Group,
Department of National Defence / Canadian Armed Forces,
Assistant Deputy Minister (Infrastructure & Environment)**

Given the routine postings of military staff, the position of the Licensee does not change, however, the individual name will change. DND - 8 Wing Trenton Environmental Management Office will strive to provide timely updates for name change requests once new names are received internally.

Should you have any questions or comments, please do not hesitate to contact me at (613) 965-3930 or Andrew.Tam@forces.gc.ca.

Sincerely,

Andrew Tam, PhD.
