Re: Request Under the Access to Information Act for 3BC-EURO611

Dear Ms. Emmerson:

The Nunavut Water Board ("NWB") acknowledges receipt of your letter dated January 5, 2010 and addressed to Mr. Don Carr, advising that Environment Canada received a request under the Access to Information Act (the Act) for :

"Information in all electronic and paper format with respect to correspondence, faxes, emails and all attachments, held by employees both working in Ottawa and the regions and any contract employees, with respect to Eureka Weather Station management of water issues, sewage, environmental concerns, contracts and contract awards, and related intergovernmental correspondence from the period of 1 April 2008 to 4 November 2008."

In reference to the attachment to Environment Canada's letter I offer the following:

- a) Excerpt from letter, your identifier CONSULT 000078 is a letter dated March 1, 2001 and is available to the general public.
- b) Letter dated August 19, 2008 to Natalie Boulanger, Environment Canada, from Don Car, Technical Advisor, Nunavut Water Board, including two (2) email transmittals, is available to the general public.
- c) Tables titled 'Review of Nunavut Water Board License Requirements and INAC Inspection Requirements for Eureka', your identifier CONSULT 000070 to 000077 and 000119 to 000125 are **not** Nunavut Water Board generated documents and therefore the NWB has no authority over any organization requesting these documents.

All correspondence relating to this file is available to the general public and is on our ftp site and can be accessed with Username *public* and Password *registry*.

Regards,
