Subject: follow-up abandonment and restoration plan

Good day Mrs. Ene,

To follow-up with your request regarding abandonment and restoration plan in Eureka, we had a meeting this morning with our colleagues in which we raised that point. It appears that DND operates under its own license with Nunavut Water Board for its buildings in Eureka. We think DND might have their own abandonment and restoration plan as well. We will ask our contact at DND Andrew Tam about that and we will get back to you as soon as possible.

Have a good weekend.
