Good Morning, Phyllis,

RE: 3BC-FOD0409 Amendment Application Withdrawal

As per your advice and suggestion during our telephone conversation on the reference amendment on 13 April 07, Nasittuq Corporation is withdrawing subject amendment based on the fact that the named project will be implemented within both the terms and conditions as stipulated in our NWB licence.

Best regards,

Sam Cheng  
Nasittuq Corporation

Good morning Eli. On March 23, 2007 the NWB received an amendment request for the Fox-3 Project. In reviewing the documents submitted, it is not clear exactly what the amendment is for. Could you please provide clarification as soon as possible as this file is currently out for review and comments. Please call to discuss at your earliest convenience.  
Regards,
