**Re: Nunavut Water Board Licence 3BC-FOD Fox-3 Project Remote Camp
(Major Cameron, North Warning Systems Office)**

Due Date: **April 27, 2007**

Dear Mr. Dwyer:

At your request, the Department of Culture, Language Elders and Youth (CLEY), Government of Nunavut, has reviewed the above-noted application. Our recommendations are limited to CLEY's mandate and follow.

We recommend approval of the above-cited application, while there are archaeological sites on the FOX-3 Property, the proposed activity does not pose a threat to the sites.

The attached conditions specify plans and methods of site protection and restoration to be followed by the permittee, if an archaeological site is encountered or disturbed in the course of the land use activity. These 'Terms and Conditions' need to be followed.

Sincerely,
