Good Afternoon Will,

The Municipality of Hall Beach accepts FOX-M's garbage and we are doing a regular garbage pick-up at FOX-M in accordance with our by-law number 68.

If you required further information, please do not hesitate to contact myself.

Thanks,

Anne Curley

Good Morning Anne,

If you could send the authorization to me I will make sure it gets to the NWB.

Thanks,  
Will Wyman

Do you have an e-mail address for Nunavut Water Board? I need an address to respond to Barb's request to provide with documented authorization to NWB.

**Subject:** Radar sites, garbage pickup by Hamlet of Hall Beach

Hi Michelle,

The Nunavut Water Board just issued a renewed water license to FOX-M radar site. One condition is that the Board be provided with "documented authorization from all communities receiving wastes from the project". I am contacting you for this authorization.

Would you please e-mail the arrangement that exists at the FOX-M radar site, that is the Hamlet of Hall Beach accepts FOX-M's garbage and is doing a regular garbage pick-up at FOX-M in accordance with By-law \_\_\_\_.

Please note that FOX-M's garbage does include garbage generated at the FOX-3 radar site (Dewar Lakes). FOX-3 is an unmanned radar site for most of the year, so garbage is generated at FOX-3 only when it is visited by persons out of FOX-M doing quarterly maintenance and special projects.

If you have any questions, please contact Will Wyman at 613-787-3868 or e-mail [will.wyman@nasittuq.com](mailto:will.wyman@nasittuq.com). I'll be away on vacation until 19 Oct.

Thanks very much for your help!

Regards,  
Barb
