Re: Crown-Indigenous Relations and Northern Affairs Canada's Reply on the Review of the new Licence Application for Iqaluit Nukkiksautiit Project, Type B Water Licence No. 8BC-INP----

Dear Richard Dwyer,

Thank you for the 19 May 2026 invitation to review the response of the new licence application, submitted by Nunavut Nukkiksautiit Corp, for Type B Water Licence No. 8BC-INP----

CIRNAC examined the response pursuant to its mandated responsibilities under the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* and the *Department of Crown-Indigenous Relations and Northern Affairs Act*. CIRNAC is satisfied with the response so long as the revisions to the Environmental Protection Plan, Spill Prevention Plan, and Abandonment and Restoration plan stated by the applicant are completed and in use prior to commencement of the project.

If there are any questions or concerns, please contact William Quere at william.quere@rcaanc-cirnac.gc.ca or (873) 452-1981 Or Andrew Keim at (867) 975-4550 or Andrew.keim@rcaanc-cirnac.gc.ca.

Sincerely,

William Quere, BSc
