**Re: Crown-Indigenous Relations and Northern Affairs Canada's Review of
Department of National Defence's Responses to Comments on the Amendment
Application for the CAM-3 North Warning System Long Range Radar Site, Shepherd
Bay, Nunavut Project**

Dear Richard,

Thank you for the opportunity to review Department of National Defence's responses to comments on the Amendment Application for the CAM-3 North Warning System Long Range Radar Site, Shepherd Bay, Nunavut Project, for Type B Water Licence No. 8BC-SHE1929.

Crown-Indigenous Relations and Northern Affairs Canada examined the application and supporting documents pursuant to its mandated responsibilities under the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* and the *Department of Crown-Indigenous Relations and Northern Affairs Act* and has no further comments to offer at this time.

Please contact me or Andrew Keim by email at john.macinnis@rcaanc-cirnac.gc.ca or andrew.keim@rcaanc-cirnac.gc.ca if there are any questions or concerns.

Sincerely,

John MacInnis
Senior Environmental Assessment Specialist
