**Re: Crown-Indigenous Relations and Northern Affairs Canada's comments on
8BC-SHE1929 Culvert Replacement Project**

Dear Mr. Dwyer,

Thank you for your September 10, 2019 invitation to review and comment on the above-referenced project.

Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC) reviewed the 8BC-SHE1929 CAM-3 Culvert Replacement Project document pursuant to its mandated responsibilities under the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* and the *Department of Crown-Indigenous Relations and Northern Affairs Act*.

CIRNAC recommends that the new culverts be installed in accordance with the applicable engineering standards or best practices, and the design specifications (e.g., drawings) be provided to the Nunavut Water Board before construction.

CIRNAC appreciates the opportunity to participate in this review. If there is any question, please contact me at (867) 975-4555 or david.zhong@canada.ca or Godwin Okonkwo at (867) 975-4550 or godwin.okonkwo@canada.ca.

Sincerely,

David Zhong
Regulatory and Science Advisor
