Hi Phyllis,

We are awaiting the conformity determination from NPC before we can proceed with our assessment of Agnico Eagle's request to develop a single lane all-weather access road from the Meadowbank site to the Amaruk site.

Regards,

Subject: [SUSPECTED SPAM] 150625 8BC-AEA---- New Application Agnico Eagle

Importance: Low

Good day, on April 16, 2015 the above file was forwarded to both NPC and NIRB for conformity and screening. To date no information has been provided by either organization. Our deadline was May 16, 2015. Please provide necessary documentation to move forward with this application.

Thank you.
