**Re: Notice of Release of Screening Decision Report for Agnico Eagle Mines Ltd.'s "Amaruq Exploration Access Road - Additional Quarry Amendment" Project Proposal, Kivalliq Region**

---

Dear Tracey McCaie:

Enclosed is the Nunavut Impact Review Board (NIRB or Board) Screening Decision Report to the Honourable Carolyn Bennett, Minister of Indigenous and Northern Affairs and David Ningeongan, President of the Kivalliq Inuit Association for Agnico Eagle Mines Ltd.'s "Amaruq Exploration Access Road - Additional Quarry Amendment" in the Kivalliq Region, dated March 7, 2017.

The NIRB has assessed this project proposal for ecosystemic and socio-economic impacts taking into consideration the comments from relevant authorities and communities. Based on this assessment, the Board has indicated to the responsible Minister(s) that a review of the project is

not required in accordance with paragraph 92(1)(a) of the *Nunavut Planning and Project Assessment Act* (NuPPAA). Accordingly, the NIRB awaits a response from the Minister.

In the absence of a response from the Minister, regulatory authorities should take note of paragraph 75(1)(e) of the *NuPPAA*, which provides: “A regulatory authority is not authorized to issue a licence, permit or other authorization in respect of a project if the responsible Minister has decided either that the project could be modified and an amended project submitted to the Commission or that it is not to proceed.” Contravention of section 75(1) of the *NuPPAA* will render a licence, permit or other authorization issued of no force or effect.

Please contact Natasha Lear, NIRB Environmental Administrator at (867) 983-4612 or [info@nirb.ca](mailto:info@nirb.ca) if you have any questions or require additional clarification.

Sincerely,

Natasha Lear  
Environmental Administrator
