Dear Mr. Dwyer, Ms. D'Amours-Gauthier, Ms. Lear, and Mr. Shilts:

RE: NPC File # 149076 [Bridge to Nowhere - Repair to Abutments]

The following works and activities have been proposed in the above-noted project proposal:

1. Repair of the abutments to Bridge to Nowhere to prevent the ultimate collapse of the span structure. The Bridge to Nowhere is located outside of the central core of the City of Iqaluit on the Road to Nowhere where it crosses the Niaqunguk River. This application is for a renewal because construction did not occur last year.
2. Related NPC FILE No: 148676; Related NIRB FILE No. 18XN001
3. Location: Qikiqtani Region; Iqaluit, Niaqunguk River

A complete description of the project proposal reviewed by the NPC can be accessed online using the link below.

The Nunavut Planning Commission (NPC) has completed its review of the above noted project proposal. NPC has determined that this project proposal is outside the area of an applicable regional land use plan. The activities associated with this proposal were previously reviewed by NPC on January 5, 2018. In addition, the works and activities listed above were previously screened by the Nunavut Impact Review Board (NIRB FILE No. 18XN001). The above-noted project proposal is exempt from screening by the NIRB because the NPC is of the understanding that it does not change the general scope of the original project activities, and the exceptions noted in Section 12.4.3 (a) and (b) of the Nunavut Agreement do not apply.

By way of this letter, the NPC is forwarding the project proposal to the regulatory authorities identified by the proponent. Project materials are available at the following address:
