Dear NWB,

Fisheries and Oceans Canada (DFO) has reviewed DCC's Abandonment and Restoration Plan for temporary facilities at the Nanasivik Naval Facility.

DFO has reviewed the Plan and associated documents as follows:

- Abandonment and Restoration Plan for Temporary Facilities at Nanasivik Naval Facility dated April 4, 2016
- Environmental Protection Plan at Nanasivik Naval Facility dated April 6, 2016
- Volumes of Water Used 2015 at Nanasivik Naval Facility April 5, 2016

DFO understands this Plan to be related to DFO File NU-11-0037, NIRB 09DN018 and NWB 8BC-NNF1418

On June 20, 2013 DFO provided mitigation measures to DCC in support of the NIRB screening for the Nanasivik Naval Facility Project. Some of these measures may continue to apply to the Abandonment Plan. DFO has no further comment or concern with respect to the Abandonment Plan as proposed.

Should you have any questions, please contact me.

Regards,
