**Attention: Loretta Hardwick**

**RE: Application to the Minister for approval under the *Canadian Navigable Waters Act (CNWA)* of a work, located in Broughton Channel, Arctic Ocean, at approximately 67° 31' 41.59" N, 64° 1' 52.5" W, Land within the Municipality of Qikiqtarjuaq, Territory of Nunavut.**

After a preliminary screening of your application received November 27, 2025, the [Navigation Protection Program](#) (NPP) office has determined that the information provided is complete for the purpose of commencing our review and determining the applicable fees.

If our review of your application results in an increase to the associated fees originally quoted in your [External Submission Site](#) account at the time of submission, you will be notified before the invoice is issued.

As part of the application for approval process, a public notice will need to be posted in a form and manner as directed by the NPP officer assigned to review your file. Please do not proceed with public notice until you have received instructions from this office. Once the date of the publication is known, a selection of your project information will be made available on the [Common Project Search Registry](#), and the public will be invited to comment on any navigation-related issues. In addition, Transport Canada may consult with Indigenous groups and/or conduct a federal environmental assessment as part of the review process.

Your NPP file number is **2025-616110**. Please include the file number and registry number in all future correspondence. Your file has been assigned to **Dallas Babuik**, a Navigation Protection Officer, for review, and you may be asked to provide more detail about the work and/or waterway.

**Please be advised that no construction shall take place without approval under the Act as the work may interfere with navigation.**

**Please contact our office in the Prairie and Northern Region for any questions, by phone at 1-844-425-7787 or by e-mail at [TC.NPPPNR-PPNRPN.TC@tc.gc.ca](mailto:TC.NPPPNR-PPNRPN.TC@tc.gc.ca).**

Respectfully,

Dallas Babuik
