E-mail: Dan.McQuinn@stantec.com

Dear Mr McQuinn:

Subject: Consultant Services – Geotechnical Investigation for the Nanisivik Naval Facility (NNF), Nanisivik, Nunavut
Project No.: ESARCTIC, Contract No. 44322

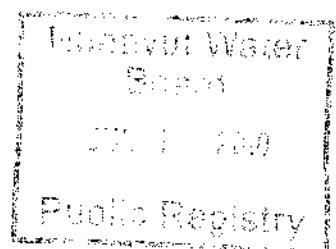

Pursuant to your proposal dated June 15, 2010, Defence Construction Canada (DCC) is prepared to enter into a contract with your firm for the above noted project. Enclosed is a copy of the Articles of Agreement for this contract. Please sign and return a copy to the DCC representative below as an indication of your acceptance of the Terms and Conditions of this contract.

Per your proposal, the contract value is established as follows:

<u>Maximum upset fee/amount</u>	<u>\$614,100.00</u>
Total:	\$614,100.00

You are hereby authorized to begin work on this project upon execution and return of the Articles of Agreement to the DCC representative named below, who will be responsible for the management of this contract and will contact you to discuss start up of the work
