**Re: Crown-Indigenous Relations and Northern Affairs Canada's Review of the Water Licence Renewal Application for DYE-M Cape Dyer Landfill Monitoring Program, Type B Water Licence No. 1BR-DYE1623**

Dear Mr. Dwyer,

Thank you for the April 29, 2025 invitation to review the referenced licence amendment renewal application, submitted by Department of National Defence, for Type B Water Licence No. 1BR-DYE1623.

Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC) examined the application pursuant to its mandated responsibilities under the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* and the *Department of Crown-Indigenous Relations and Northern Affairs Act*.

CIRNAC has no concerns with Department of National Defence licence amendment renewal application.

If there are any questions or concerns, please contact me at [courtney.white@rcaanc-cirnac.gc.ca](mailto:courtney.white@rcaanc-cirnac.gc.ca) or Andrew Keim at [andrew.keim@rcaanc-cirnac.gc.ca](mailto:andrew.keim@rcaanc-cirnac.gc.ca).

Sincerely,

Courtney White  
Project Leader and Program Manager
