Re: Application for Anuriqjuak Nukiksautit Project

Dear Nunavut Water Board:

The purpose of this letter is to provide authorization for Growler Energy to act as our representative with respect to the application before the Board for a Type B permit for our Anuriqjuak Nukiksautit Project. Please note, however, that this representation does not include investing Growler Energy with signing authority or the ability to make legal or financial commitments on behalf of NNC.

Please contact the undersigned if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Susan Shaw'.
