Thank you, Robert.

Please consider this email as receipt of these comments. We will address them and respond prior to Jun 23, 2023.

Could you confirm that the NWB still requires a review of the Project Engineered drawings? The engineering company on this project has the Issued For Tender (IFT) drawing package which was sent out in the Construction Tender package last week. I can send those along right away.

Kind regards,

**Shelly Brown**

Good morning,

Please see attached, CIRNAC and ECCC comments in regards to Water Licence No: 8BW-ANU----; Type "B" Application by NNC for the Anuriqjuak Nukkitsautit Project. The Nunavut Water Board kindly requests applicant response by the deadline of **June 23, 2023**.

Copies of all documents received in support of this submission can be accessed through the NWB's Public Registry and FTP site using the following Link:

<ftp://ftp.nwb-oen.ca/registry/8%20MISCELLANEOUS/8B/8BW%20-%20Watercourse/8BW-ANU----/2%20ADMIN/3%20SUBMISSIONS>

The Nunavut Water board is aware that a number of web browsers are no longer supporting File Transfer Protocol (ftp). If you are having difficulty accessing our FTP site you may need to download an FTP application. We have been recommending the FileZilla Client below to access the files, which is a free and open source application. A link can be found below:

<https://filezilla-project.org/>

Please let me know if you have any questions or concerns.

Regards,

Robert Hunter
