<Christine.Wilson3@rcaanc-cirnac.gc.ca>

Cc: Licensing Department <licensing@nwb-oen.ca>

Good morning,

The scope of this licence is generally construction/maintenance; these terms are to be applied during construction and maintenance activities. The Board granted a longer term for this licence as opposed to the one that could have been sufficient for construction to make sure that they are licensed if any additional water works required related to future maintenance/repair work, if any.

Regards,

Richard
