Dear Ms. Briscoe:

RE: BATHURST INLET PORT AND ROAD PROJECT

Your letter of April 14, 2003 requested re-submission of a revised Project Description by May 12, 2003. We noted in our letter of April 30, 2003 that the timeline was short, however, we had intended to do everything we could to comply. Unfortunately due to a delay in receiving one of the translations for the Executive Summary we must request a delay of the submission until May 16, 2003.

We hope this meets with your approval.

Yours truly,

the **BATHURST INLET PORT AND ROAD PROJECT**
