Dear Leslie:

RE: Response to Information Requests

It is the intention of the Bathurst Inlet Port and Road Joint Venture Ltd. to provide responses to the Information Requests recently forwarded to us by May 30, 2008. This timeline assumes that no additional information requests that are significantly different from those already received are submitted as a result of funding of Intervenors.

We request that, if in the course of the Technical Review it comes to your attention that significant additional issues have been identified by Intervenors subsequent to their reviews, you advise us at the earliest possible time.

Yours truly,

BATHURST INLET PORT AND ROAD JOINT VENTURE LTD.
