Dear Mr. Perry:

Re: Bathurst Inlet Road and Port Deadline for Comments

Thank you for your email (attached) dated August 11 in which you ask the Board to consider extending the deadline for submissions on the Bathurst Inlet Road and Port Project.

The Board is prepared to extend this deadline to 5:00 pm MST on Tuesday August 19, 2003 following which the Proponent will be given 10 days to provide any necessary clarification to all submissions received by that deadline. Following the Proponents final submission, the Board will be making a decision under section 12.4.4 of the NLCA and will in turn forward this decision, along with its reasons for decision, to Minister Nault.

You indicated that you were having problems downloading the Project Description from the NIRB site. Please refer to the Nunavut Water Board site at <ftp://ftp.nunavut.ca/nwb> under the following pathway: **NWB4 OTHER/NWB4BAT/Revised Application.**

Should you have any further questions please contact Zainab Moghal, NIRB's Technical Advisor, at your earliest possible convenience.

Sincerely,
