Hi Phyllis,

In compliance with Part D Item 3, you will find attached a written authorization from the municipality of Clyde River authorizing the disposal of non hazardous solid waste in the community's landfill. In 2009, we had only received a verbal authorization to dispose essentially a wooden crate and waste straps.
Regards,

Philippe Simon, P.Eng., Ph.D.

Good morning Philippe and Harry – the Nunavut Water Board would appreciate an update on when to expect the necessary documents to complete the application for renewal, received in our office on August 20, 2010.

Regards,

Phyllis Beaulieu
