Re: Application Acknowledgement for the Clyde River Road & Bridge Project

Dear Mr. Hawkins:

The Nunavut Water Board acknowledges receipt on May 12, 2008 of your new water license application, for the Clyde River Road & Bridge Project.

We undertook a preliminary review of your application and conclude that it does not contain sufficient information for the NWB to evaluate the qualitative and quantitative effects of the use of water or the deposit of waste on water. Specifically, we are asking you to provide the following:

- 90% complete engineering drawings that are stamped and sealed
- Questionnaire on Water Crossing to be completed (attached)

We will resume the processing of your application once we receive the requested information.

Please call the undersigned at (867) 360-6338 or email at [licensingadmin@nunavutwaterboard.org](mailto:licensingadmin@nunavutwaterboard.org) if you have any administrative questions or (867) 360-6338 ext. 30 or e-mail [dcarr@nunavutwaterboard.org](mailto:dcarr@nunavutwaterboard.org) for any technical questions.

Sincerely,
