Subject: Request for Amendment to Water Licence 8BW-CLY0810

Dear Mr. Simon:

The Nunavut Water Board ("NWB") hereby acknowledges receipt, on August 24, 2009, of your request for an amendment to Water Licence 8BW-CLY0810. In order to complete this application you are required to submit the following documents:

1. Three page application form, duly signed and dated (**copy attached**);
2. \$30.00 administration fee in cheque form made payable to "Receiver General for Canada", or by calling our office and providing VISA information;
3. An addendum to the approved Erosion, Sediment and Drainage Control Plan which was to be provided as per Part C, Item 2 of the existing water licence;
4. An addendum to the approved Spill Contingency Plan which was to be provided as per Part H, Item 2 of the existing water licence;
5. Annual Report for 2008 which was to be provided prior to March 31, 2009;
6. Project summary in English and Inuktitut briefly outlining the project amendment;
7. Information as per the **attached** questionnaire for culverts and bridges (if the information has changed from the previous submission in regards to river crossings and culvert installations);
8. Information submissions as required, based of the INAC Inspector's Direction dated August 24, 2009.

Previous application documents are available for viewing and/or downloading from our ftp site at the following link:
