As noted in the NWB's correspondence to you acknowledging receipt of this application, under the Nunavut Land Claims Agreement (NLCA), Article 11, Section 11.5.9 and s. 76 (1) of *Nunavut Planning and Project Assessment Act* (NuPPAA), the proponent of a project governed by NuPPAA and the applicant is required to submit a project proposal document (which may include the water licence application) directly to the Nunavut Planning Commission (NPC or Commission) for the NPC's determination regarding the applicable land use planning requirements and/or directions regarding whether the project is subject to screening by the Nunavut Impact Review Board (NIRB). In particular, please note that as established under Articles 11, 12 and 13 of the NLCA, NuPPAA and Part 3 of the *Nunavut Waters and Nunavut Surface Rights Tribunal Act*, until the project has completed the applicable land use planning and assessment process required by the NPC and the NIRB, the NWB cannot issue a water licence.

Be advised that on September 15, 2015 the NWB received a positive NPC conformity, as well, on September 9, 2015 the NWB received NIRB's determination.

To ensure this application is dealt with in a timely fashion, the NWB forwards notice of all documentation to regulators and Council of the Municipality(ies) most affected by the project, inviting interested parties to make representation directly to the NWB **within thirty(30) days from the date of this letter.** The NWB may provide additional procedural instructions once the application has been reviewed by interested parties.

Sincerely,

Ida Porter  
Licensing Administrative Assistant
