To Whom This May Concern,

VENDOR FINALIZATION OF GRISE FIORD PEDESTRIAN BRIDGE DESIGN

The purpose of this letter is to provide confirmation that following the selection of a vendor, they will prepare final construction drawings that will be provided to the Nunavut Water Board as an update to this application. The vendor will subsequently take on the role of the 'Applicant Representative' in the amended water licence application form submitted with the finalized construction drawings.

Please contact the undersigned if you have any questions.

Sincerely,

Regards,

David General
