Phyllis Beaulieu, Manager Licensing  
Nunavut Water Board, Goja Haven, Nu

**Water Licence Application for the Exploration of Potable Water for the Community of Kugluktuk, Nunavut**

Dear Ms. Beaulieu,

We are submitting a water License application to the Nunavut Water Board for approval. Please find attached the completed copy of the water licence application along with a cheque for \$60.00 (water use fees and administration fees).

This land use application is for the exploration of the possibility of extracting groundwater from a sub-river aquifer to provide long-term potable water for the community of Kugluktuk.

This package includes:

- Completed water licence application form
- Supplementary Questionnaire
- 3 maps – 1 general location, 1 location and one proposed drill target location
- Non-technical summary project background (in English, Inuinnaqtun translated version )
- Spill Contingency Plan
- Abandonment and Reclamation Plan
- Cheque for required fees

I would like to request Nunavut Water Board also to consider this point during your review process

- Construction Season is too short

The GN requests to the Nunavut Water Board to devote its earliest attention on this water license application.

If you have any further questions or require any additional information, please do not hesitate to contact me at 867 983 4008 or via email at sjha@gov.nu.ca.

Sincerely,

  
Sudhir Jha
