Dear Mr. Dwyer,

Re: Application for Assignment of 8BW-LUP1924 Lupin Winter Access Road

Lupin Mine Incorporated, a wholly owned subsidiary of Mandalay Resources, wishes to apply for an assignment 8BW-LUP1924 to support the construction of the Lupin Winter Access Road and ongoing reclamation of the Lupin Mine.

Please note that Mandalay Resources maintains that they maintain the capacity to implement the conditions of the current water licence and can provide a schedule for the implementation of all plans, manuals, and reports to be submitted under the licence.

Should you require further information to support your review of this application, please contact myself at nicolem@falkirk.ca, an authorized agent to represent Lupin Mine/Mandalay Resources for the purposes of this application.

Sincerely,

A handwritten signature in black ink that reads 'Nicole A. McLaren'.

Summary of Application for Reassignment: License 8BW-LUP1924

Lupin Mine Incorporated, a wholly owned subsidiary of Mandalay Resources, wishes to obtain water to construct and maintain a portion of the Tibbitt to Contwoyto Winter Road (TCWR), which will be used to mobilize and demobilize equipment and supplies for ongoing reclamation of the Lupin Mine (Lupin Mine) in the Kitikmeot Region of Nunavut (the Program).

In 2019 Nahanni Construction Ltd. (Nahanni) was contracted by Lupin Mines to obtain the necessary permits to construct a winter road to support reclamation work at the Lupin Mine. Nahanni began construction of the winter road in February 2020 with assistance from Maskwa Engineering.

Lupin Mines wishes to obtain any permits necessary for this year's winter road construction and is therefore applying to the Nunavut Water Board for reassignment of the current water license 8BW-LUP1924 expiring December 4, 2024. A subsequent request for extension will then be filed.
