Hello

In order to further process your application, the NWB will require that the following documents be submitted:

- 1) Spill Contingency Plan: including a map of the project area;
- 2) Abandonment and Restoration Plan;
- 3) Simplified map of the project area in relation to Pond Inlet, the quarry site and the marine area;
- 4) More detailed project description: including the number, size and location of water crossings, etc.;
- 5) Name of applicant, (i.e project manager);
- 6) General plan for construction and operations that includes measures to mitigate dust and erosion.

If you have any questions or concerns please do not hesitate in contacting me.

Cheers,  
Derek
