Hi Rick,

Because the activities are not a “project” under NUPPAA, NIRB screening is also not required (NIRB now only receives proposals forwarded to them by the NPC).

You are able apply for any permits or licenses you may need, including to the Nunavut Water Board (NWB). The NPC will be communicating with the NWB regarding this and other matters, but for clarity it may be helpful to provide a copy of my previous message when contacting the NWB.
