Good day Rick, the administration fee is \$30.00 and certainly can be paid with Visa. If there is any water use authorized there will also be a water use fee to be paid but that can be discussed once we receive the application.

Good morning, I am pleased to advise that we are preparing to transmit the Water Licence Application and supporting documentation for the Coral Harbour Community Road bridge rehab project to you before the end of this week but please advise the fee for this application, and can we pay you over the phone (i.e. by visa)? Your direction on this would be appreciated.
