Phyllis:

On behalf of the Nunavut Department of Community and Government Services, Tetra Tech EBA is pleased to provide for the Nunavut Water Board's consideration, the following Water Licence Application documents for the Coral Harbour Airport Community Road Rehabilitation Project:

1. Completed General Water Licence Application
2. Completed SIG spreadsheet
3. Supplementary Information Report

Several subsequent emails will contain the following additional supporting documents in digitally manageable sections:

4. EBA A Tetra Tech Company. 2013. Airport Community Road Washout Report for Coral Harbour Nunavut.
5. Tetra Tech EBA. 2015. Feasibility review of crossings alternatives under Airport Road, Coral Harbour.
6. Tetra Tech EBA. 2015. Coral Harbour Airport Road Hydraulic Upgrades: Design Options Report.

As noted on the signature page of the Application, the Inuktitut Summary of the Project is currently being generated and will be provided to the NWB, tentatively by the end of next week (December 18, 2015).

Regarding payment of the Application fee, please advise a time when I can phone you to make the necessary payment.

Finally, please confirm receipt of this application documentation. We look forward to working with you and the Board with regard to the processing of this application.

Regards,

Rick

Good day Rick, the administration fee is \$30.00 and certainly can be paid with Visa. If there is any water use authorized there will also be a water use fee to be paid but that can be discussed once we receive the application.

Good morning, I am pleased to advise that we are preparing to transmit the Water Licence Application and supporting documentation for the Coral Harbour Community Road bridge rehab project to you before the end of this week but please advise the fee for this application, and can we pay you over the phone (i.e. by visa)? Your direction on this would be appreciated.

Rick
