To: "sean.joseph@nwb-oen.ca" <sean.joseph@nwb-oen.ca>, Licensing Department <licensing@nwb-oen.ca>

Cc: "Moschini, David" <David.Moschini@tetrattech.com>

Sean:

Further to our recent telephone conversations on this matter, as requested, this is to confirm that we will be transmitting to the NWB the Construction Environmental Management Plan (CEMP), which also contains Emergency Response and Spill Response sections, and the latest design drawings for the stream crossings later this week. We understand that the submittal of these documents will allow the review process to officially be initiated.

Thanks very much for your guidance on this matter.

Rick
